Support programme for you and your guests

During your couple's photo shoot, your guests will be in good hands with us and will enjoy an entertaining guided tour offering fascinating insights into wine and sparkling wine production at Wackerbarth Castle.

*W*ine tour

On the wine tour, we'll show you what makes Saxony's more than 850-year-old winemaking tradition so special. Take a look behind the scenes at our winery and discover how Schloss Wackerbarth's select wine specialities are crafted. And to ensure that what you've learnt really sinks in, guests can look forward to a tasting of three wines as the perfect finale.

*S*parkling wine tour

On the sparkling wine tour, you'll discover why our sparkling wine specialities have been 'rattled' rather than 'shaken' for over 180 years: at our production facility, we'll introduce you to the artisanal art of the 'Méthode champenoise', the traditional bottle-fermentation process. You'll get to enjoy the sparkling result during the tasting that follows.
